Food & Beverage

Matrix is a woman-owned small business based in Washington DC, with offices in Dubai and Kabul. We specialize in food and beverage services, transportation, security, public and private construction, fuel procurement, delivery and logistics.

Matrix has been in the food and beverage industry for more than 20 years. Our experience and capabilities are innovative and diverse. We started in Washington DC and Tysons Corner Virginia serving tourists, locals, professionals and government employees. And in 2012 we partnered with English Enterprises. The portfolio spans numerous locations internationally, including Atlantis Resort Bahamas, 360 Mall Kuwait, Dubai Mall, Manilla food hall and Ritz Carlton Abu Dhabi. And within the US, guests have enjoyed the concepts at the Disney Resort Orlando, Birmingham, Boston, Palm Beach, Bellagio Hotel Las Vegas, the Plaza Hotel in New York City, and in Washington DC, just steps from the White House.

At Matrix food and beverage our primary goal is to understand our clients' needs in order to provide consistent, quality, world class service. By leveraging our resources, capabilities, and supplier network, Matrix can respond to client needs and provide dependable services virtually anywhere, and at any time

What sets us apart is our team of dedicated colleagues and partners. We've worked together for years with integrity, hard work, and commitment to first rate service. We supply a broad range of products and services to clients ranging from retail to private world class companies and government entities.

Our goal is to expand our work to military bases and diplomatic stations. The mission of our diplomatic and military supply division is to fulfil the unique requirements of these clients.

- Through our broad global network and advanced technology solutions we can offer world class products and services at incomparable prices.
- Our deep industry experience and strategic business approach enables us to offer diversity of options.
- We are at the forefront of food and beverage trends of healthy, sustainable and gourmet choices when you're away from home.
- Our warehousing and distribution services are invaluable in supplying some of the world's most recognized companies with the products and services they need.
- We operate our logistic functions in collaboration with our global network of resources and the support of our local partners.
- We have commercial offices in Dubai, the Netherlands, Ras-Al-Khaimah (UAE), Iraq, Kabul and Sierra Leone. We are delivering significant growth in emerging markets across the Middle East, Africa and the Indian-Sub Continent.

Delivering on-time and within-budget results comes from our team's proven ability to plan and safely execute the complex tasks at hand. Centrally located in Kabul and Dubai, we can mobilize our turnkey services and serve Africa, the Middle East and South Asia.

Matrix is proud to offer a broad range of services to our clients around the world. Delivering on-time and within-budget results comes from our team's proven ability to plan and safely execute the complex tasks at hand.

Our experienced Matrix teams also specialize in construction, logistics, and fuel supply, as well as leasing, maintenance of armored and soft vehicles. We have successfully served an array of public and private clients. Our worldwide network has served the Department of Defense (DoD), Turkish, German, and Japanese organizations, as well as the Government of Afghanistan. By leveraging our resources and the capabilities of our partners and suppliers, Matrix can respond to the needs of the project and provide our services through our established support systems and facilities.

Our global network has served US and overseas projects, including at the height of the Covid19 pandemic. In conflict zones, emergencies and austere environments, our teams is equipped and ready to take on a broad range of projects.
